**KIK IS A FREE APP BASED
AS AN ALTERNATIVE TO
TEXTING SERVICES. KIK
ALLOWS USERS TO SEND
TEXTS & PICTURES
WITHOUT BEING LOGGED
IN THE PHONE HISTORY**

**POTENTIALLY DANGEROUS
APP!**

KIK Messenger makes it easier for teens to talk to strangers without parental knowledge. Kik does not require a phone number or email address. Users just create a username. Strangers can easily contact teens.

There are apps within the app which can make it difficult for parents to monitor.
